

## What's Hot

Each month, fashion-a-holics Francesca, Erika and Brittney take on Lakewood, Los Cerritos and Stonewood Centers to bring you the hottest trends and fashions.

### Snapshot!

-Francesca Baldi

He's making a list, and checking it twice so this Holiday Season get ready for Santa's great new technology finds. What to expect from your Stonewood Radio sShack is the new Nikon COOLPIX S230! Now this isn't just any ordinary camera, this one of a kind memory catcher is the perfect gift for teens. With its amazing 10.0 Mega pixel resolution and 3 inch LCD touch screen it's hard to say no. This camera is available in Plum, Jet Black, Night Blue, Gloss Red, and Warm Silver, perfect to match any style.

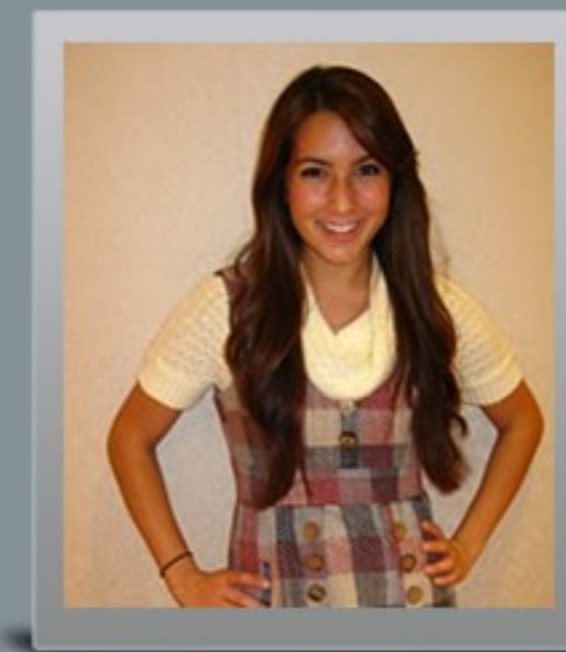

One of the great features that accompany this camera is the Smile Mode, the camera detects when the subjects are smiling and automatically takes the shot, so you get the perfect picture every time! You can find yours at the Radio Shack located in the Stonewood Center for just \$199.95. With this camera, it's the perfect way to capture all of those amazing Winter Wonderland memories.

### A Christmas Dress for Success!

-Erika Kimura

Teen and parents, with the spirit of giving this season, give your special someone the perfect outfit! During this month comes many Christmas parties and social gatherings. You can make your daughter or friend feel really special by giving them a perfect plaid holiday dress. This unique outfit is a winner because of it's versatility.

Cozy it up with a pair of leggings, boots, and a scarf or you can dress it up with heels and a leather jacket! I got this entire two-piece outfit for under \$40. So make someone feel truly special this holiday season by giving them a Christmas dress they will feel great in!

### Sock it to Me

-Brittney Miller

Who doesn't like socks? Creative socks are always the best gifts to give to friends, you have numerous colors and designs to pick and choose from. Xhilaration@ Socks at Target, starting at \$1.00, has many different styles. You can rock the long cute knee highs which go great with winter boots. It adds spunk and creates versatility to an average winter look.

Here are some striped socks which are very popular now-a-days and the color burgundy is great for those gloomy days! Comfort is also a plus when picking out socks. The warm fuzzy socks can bring flair to normally what can be called a conventional outfit.
